

Montgomery County: Keeping It SAFE
Under 21 Alcohol Prevention Coalition: March 2014 Limousine Companies

The following Limousine Companies successfully completed the Keeping it SAFE Coalition training on March 5, 2014. The training covered the Maryland alcohol and other drug laws and consequences, indicators of alcohol and other drug impairment, current teen trends, and best practices regarding the transportation of clients under the age of 21.

---	-----------

Many Limousine drivers in the State of Maryland must possess a passenger for hire license issued by the Public Service Commission. Most vehicles operating as a limousine must be licensed and inspected by the Public Service Commission. All drivers are finger printed and subjected to state and/or federal background investigations. Public Service Commission agents make unannounced inspections during the prom/graduation season.
